

16-19 Bursary Application

If you think that you qualify for assistance from the 16-19 Bursary Fund, you need to complete this application pack.

The application is very simple and there are 4 sections that ***must*** be completed in order for you to be considered for assistance:

Section 1 – Learner Details

To be completed by you, the student

Section 2 – Parental/Carer Details

To be completed by your parent/carer

Section 3 – Assessment of Income

To be completed by your parent/carer. All boxes must be completed and proof of **household** income attached (dated after 5 April 2022)

Section 4 – Further information

To be completed by you, the student. The more information we have, the quicker and easier the bursary process is. For example, if you think you need help with public transport, please state which method of transport you use.

Please check that all sections are completed by the relevant parties and return to Mrs Hill at your earliest convenience.

A short discussion will take place once you have enrolled in September to ascertain your requirements for the bursary.
